

## OAK SCHÖNBRUNN

The natural oil stain on this single-strip oak floor from the Royal Collection are enhanced by an even colour variation between planks and a sweeping natural grain. Each board is carefully brushed to bring out the character of the grain and highlight the texture of the wood. Four-sided bevelling at the edges ensures a classic full plank look and feel.

## **DETAILED DESCRIPTION**

- •All naturally occuring wood colour variations allowed, from light to dark brown. Sapwood may occur. The product includes very large sound and black knots and cracks. Knots and cracks will be present in all sizes and numbers.
- •The products may continue to develop their rustic nature after the floor has been installed, splits and cracks that occur after installation are normal and should be considered part of the timbers natural character.
- •The product can be used in connection with floor heating, however the Thermal Resistance (m2K/W) value is above the limit to be classified as suitable for floor heating. This means that the effect of the floor heating will be less but not harmful for the floor itself.

Oil: This floor should be oiled immediately after installation.

Colour change: Some muting of colour variation to medium, straw brown.

Packages may contain start and stop boards.
